

Fundraising Programs

Option 1 - Your event - Our location

(Historically the most money for the effort)

We supply "Ticket Packages" for your group to sell for the event. The tickets contain information about your event, are number sequenced and have been designed so that they can also be used as raffle tickets. You let us know how many tickets have been sold, return unsold tickets and submit payment 24 hours before the event. Ticket holders come into our store on the day of the event and "Redeem" their tickets for the agreed product. Roughly 1 Volunteer is requested for each 50 tickets sold by your group.

Option 2 - Your event - Your location

(Money equal to option 1 but more work to put on event at your location)

We supply "Ticket Packages" for your group to sell for the event. The tickets contain information about your event, are number sequenced and have been designed so that they can also be used as raffle tickets. You let us know how many tickets have been sold, return unsold tickets and submit payment 24 hours before the event. On the day of the event we deliver the food to your location ready to serve.

The agreed % of all sales made to flyer presenters is given to your organization on the day following your event.
